

## **A note of recognition from Robert Grozdanovski**

Thank you.

First and foremost, I am writing to say thank you.

Thank you for the strength and resilience you are demonstrating, and the results you are still achieving in keeping our society up and running in the most testing times any of us have ever known.

Thanks also to your teams. For the energy, camaraderie and courage on display.

And thanks to your families and loved ones, for supporting you in all that you do – not just this week, but especially this week.

Our entire team at Volvo Trucks UK and Ireland, including our dealer network, have been humbled by the grit and determination shown by our customers.

We are witnessing some truly heroic efforts to get the job done, and we appreciate every single one.

I also want to let you know Volvo Trucks is here for you, and we will continue to be here for you.

Safety is always our number one priority and we are taking extra precautions to look after our staff, dealers, customers and suppliers – be it in our workshops or at the roadside. And we will remain open for business as long as it is safe, in line with government advice.

If you require sales, servicing, parts or accessories please contact your local Volvo Trucks dealer. You can find details of opening times and service options [here](#). For Volvo Action Service please call 0800 929292.

Please do let us know if there is anything we can do to support you. And please take very good care.

Stay safe out there.

Robert Grozdanovski  
Managing Director  
Volvo Trucks UK & Ireland
